

# Vendor Application Form

## About the Venue:

We have been holding rock, mineral and fossil shows for 25 years, our last four were at the Equestrian Center (Showplace Arena) in Upper Marlboro. Perhaps you participated in some of these shows. Last year our club moved to the Old Waldorf School in Waldorf Maryland. This centrally located venue is an ongoing rescue of a beloved 1930's elementary school by a non-profit group. Most recently, the beautiful original pinewood floors have been refinished and the entire interior has been freshly painted.

For the first time, we are holding our show here. We will be using the auditorium, shown in the center of the first picture, and the room to the right of the auditorium, where we hold our meetings. The second picture shows the large parking area.

The next two pictures show the auditorium and stage area where tables will be setup for vendors.

These pictures show our meeting room where the florescent display and other activities will be setup.
